Project Description: This Rural Development investment will be used to enhance the existing infrastructure and create partnerships with the Clay and Republic County Health Departments. The new partnerships will help to provide expanded services and enhanced hours of operation. This project will provide community members in Clay, Cloud, Marshall, Pottawatomie and Republic Counties significantly expanded services in their area. This includes a vastly expanded range of days and times that service is available, plus training and educational opportunities not previously offered. Those who need psychiatric medication treatment will be able to receive this service locally.

People Who Will Benefit: 69,778

Additional Funding: Applicant Contribution: \$146,913.00

Total Project Cost: \$979,418.00
